

The Italian American Society of Peoria was founded in 1929 by seventeen men of Italian descent. At that time, its basic purpose was a fraternal organization dedicated to the welfare of its members. While the Society has evolved through the years, the focus of taking care of each other is as true today as it was then.

Today, the Society's goals center not only on the welfare of its members, but also on that of the community. We continually strive to fulfill the dreams of those original founders by carrying on Italian traditions. Our hand is extended to those of Italian descent, as well as those desiring to learn more about Italian heritage. One way we do that is through our summer Festa Picnic.

Our Festa is also how we fund scholarships for youth of Italian descent. We currently sponsor three scholarships for college students and are in discussions to add a scholarship for those pursuing a career in a trade.

Last year was our first Festa after a three-year hiatus due to the pandemic. The response by the public was wonderful. We ran out of pasta in the first 90 minutes! Thankfully we had another batch waiting and were able to satisfy everyone's hunger. We are excited for this year's event on August 11, 2024.

We invite you to join us and support the Italian American Society of Peoria as a sponsor of our Festa Picnic. On the back of this sheet we have outlined suggested sponsorship levels. Please know support at any level is appreciated and valuable.

Please complete the form below and return it with your payment (payable to the Italian American Society), by JUNE 15, 2024 to: Italian American Society, PO Box 6276, Peoria IL 61601

On behalf of the Society, thank you for your consideration. If you have questions, please ask!
